This represents \$300,000.00 staying here in West Virginia from last year's Race for the Cure and a variety of fundraising efforts by groups all over the state. Whether you Walk, Run or Sleep In. Whether you play volleyball, basketball, or walked your dog. Whether you joined us at Appalachian Power Park, "Dunked your Boss", or bought from a bake sale. Whatever it was that you dreamed of or participated in- Look what a difference it made! The bad news is I still had to send out letters to organizations we could not fund because we reached the limit. You make the difference and we can't stop now. Get a second wind and go for the sprint....Join us in fulfilling the promise- A World without Breast Cancer. We do it right here in West Virginia with YOU!
